# Help save the Morton Grove Fireworks.

Beginning in 2015 the Morton Grove Days Commission is taking on the full responsibility of the costs involved in bringing the fireworks show to Morton Grove. No taxpayer funds will be used.

Keep Morton Grove Days' spectacular fireworks the best on the North Shore! Your generous donation will help defray this year's expenses. For a \$25 donation, you will receive one adult or children's "I helped save the Morton Grove fireworks" t-shirt. The Morton Grove Days Commission is a 501(c)(3) organization, so your donation is tax deductible. Wear your t-shirt with pride, knowing that you have made a difference in keeping this annual family-friendly tradition alive!
